KADUR DISTRICT.

PROCLAMATION.

Dated 15th August 1913.

Under Section 8 (1) of the Municipal Regulation, VII of 1906, it is hereby announced that it is proposed to constitute the town of Yedahalli into a permanent municipality. All persons who entertain any objection to the said proposal are required to submit the same in writing to the Deputy Commissioner of the Kadur District, within two months from the date of the 1st publication of this proclamation in the *Mysore Gazette.*

The boundaries of the town are described below.

Boundaries.

The northern boundary of Yedehalli Town commences from the north-eastern corner of Survey No. 126 of Nagalapur Village, which is 42 yards, afar from the 1st furlong of the 25th mile on the Tarikere-Koppa road. It runs eastwards parallel to this road along its southern boundary up to the 7th furlong of the 24th mile and crossing the road here joins the south-eastern corner of Survey No. 52 of Menasur Village at the two bondhs. Thence it runs along the eastern boundary of the said Survey No. 52 till it meets the junction of the western corner of Survey No. 66 with Survey No. 52 of Manasure Village. Thence it passes along the southern boundary of Survey No. 66 and touching its eastern corner runs along its north-eastern bend up to its south-eastern boundary. Thence it runs along the eastern boundary of the said Survey No. 66 and reaches the south-eastern corner of tank Survey No. 80. Thence it runs along the south-eastern boundary of Survey No. 80, till it reaches the bondhs in the south-western corner of Survey No. 81 and then turning east-wards passes along the southern boundaries of Survey Nos. 81 and 83 up to the south-eastern corner of Survey No. 83. Thence it runs along the eastern boundary of Survey No. 83, till it meets the south-western corner of tank, Survey No. 92 of Mensure. Thence embracing the said tank it runs along its western boundary. Thence it passes along the southern boundary of Survey Nos. 88 and 90, meets the south-eastern corner of Survey No. 90 at the junction of two bondhs. Thence it passes along the eastern boundary of Survey No. 90 and running north-wards in a straight line through the Survey No. 89, touches the south-eastern corner of Survey No. 87. Thence it runs along the northern boundary of Survey No. 93, till it reaches the south-western corner of Survey No. 15 of Hiluvalli Village at the 3 bonds where the 2 villages meet. Thence it runs along the southern boundary of Survey No. 15 up to its south-eastern corner. Thence it runs southwards along the eastern boundaries of Survey Nos. 15, 33, 32, 31, 30, 29, 28, 27 and 26 of Hiluvalli Village and passing from thence along the southern and eastern boundaries of tank Survey No. 13, up to its north-eastern corner. Thence, it runs, in a straight line, north-wards through the Survey No. 12 and touches the south-western corner of Survey No. 10 at the 3 bondhs. From this point it runs eastwards along the southern boundary of Survey No. 10 up to its south-eastern corner. From thence it takes the northern direction along the Mandagadde road to a distance of about 4 chains and crossing the road at this point meets the south-western boundary of Survey No. 128. Thence it passes along the northern boundary of Survey No. 127, up to the north-western corner of Survey No. 126. From this point it runs along the western and southern boundaries of Survey No. 126, touches the south-eastern corner of Survey No. 126. Thence it runs southwards upto the north-western corner of Survey No. 125. Thence it runs along the northern and eastern boundaries of the said Survey No. 125 up to its south-eastern corner and runs from this point eastwards along the northern edge of Koppa-Tarikere road to a distance of about 27 chains and there ends the northern boundary.

From this point begins the eastern boundary. It runs southwards and crossing the Koppa-Tarikere road, meets the north-west corner of Survey No. 89. Thence it passes along the eastern boundaries of Survey Nos. 79 and 80 and cutting the Yedahalli-Chikmagalur road, runs up to the south-eastern corner of Survey No. 80 of the said Hiluvalli village at the 3 bondhs.

Here begins the southern boundary. From this point the southern boundary runs westwards along the northern boundaries of Survey No. 71 and tank Survey No. 84, up to the north-western corner of the said tank Survey No. 84. From this point it runs westwards in a straight line passing through the Survey No. 86, to the north-east corner of Survey No. 38.

Thence it runs along the southern boundaries of Survey Nos. 39 and 40 reaching the southernmost point of tank Survey No. 41. Thence it runs along the southern boundary of this tank and then turning northwards it runs along the western boundary of the said tank Survey No. 41. Thence turning westwards it goes along the southern boundary of Survey No. 40. From thence it runs along the eastern boundary of Survey No. 34 and continually passing through Survey Nos. 35 and 36 meets a bondh and a stone in the middle of the northern boundary of the said Survey No. 36. From this point it takes a south-westerly direction up to the north-west corner of Survey No. 37, where it meets the Sirgalale boundary at the 2 bondhs. From thence it runs in a southern direction along the eastern boundary of Survey No. 31 of Sirgalale village, up to the corner in the middle of the northern boundary of Survey No. 32. Thence it runs westwards along the northern boundary of Survey No. 32, up to its north-western corner. Then it takes a southern direction along the western boundary of Survey No. 32, till it meets the north-eastern corner of Bettagere, hamlet of Sirgalale village at the 2 bondhs. From this point it runs along the northern boundary of Bettagere village and touching a stone in the eastern boundary of Survey No. 176, it passes northwards up to the north-eastern corner of Survey No. 176. Thence it runs westwards along the southern and northern boundaries of Survey Nos. 31 and 55, respectively, till it meets the north-eastern corner of Survey No. 56. Thence it takes the southern direction along the eastern boundary of Survey No. 56, till it meets the south-eastern corner of the said Survey No. 56. From this point it runs westwards in a straight line through Survey No. 48, till it meets a stone in the curve in the middle of the eastern boundary of Survey No. 1 of Nagalapur village. From this point it continues westwards through this Survey No. 1, till it meets the south-eastern corner of Survey No. 2. Thence it runs along the eastern and northern boundaries of the said Survey No. 2 of Nagalapur village, till it meets its north-western corner. Thence it runs westwards along the northern boundaries of Survey Nos. 3, 4 and 5, till it reaches the north-western extremity of Survey No. 5 of the said Nagalapur village at the 3 bondhs. Here ends the southern boundary.

The western boundary begins from this point and runs northwards along the north-eastern boundary of Survey No. 126 of Nagalapur village, till it meets the north-eastern corner of the said Survey No. 126, which is the starting point.
